9627 Alta Vista Terr  
Bethesda, MD 20814

Dear Harry,

On behalf of everyone here at Kids Against Hunger, I would like to thank you for your generous gift of \$140.10 (online donation) on 1/26/2010 to pay for 2 boxes of food plus shipping. Your donation will help us package **609 nourishing meals** as well as ship six containers of food ( 1.7 million meals) to the earthquake victims in Haiti. This shipment will be coordinated through the US Navy.

Rescue and cleanup efforts following the horror of earthquake will continue for years and donations such as yours will make the difference. Will you help us reach more children in need? *Please consider becoming a monthly donor.* The ongoing needs in Haiti and throughout the world rely on the ongoing donations of our donors. Please help us continue our mission to feed ALL the starving children in the world.

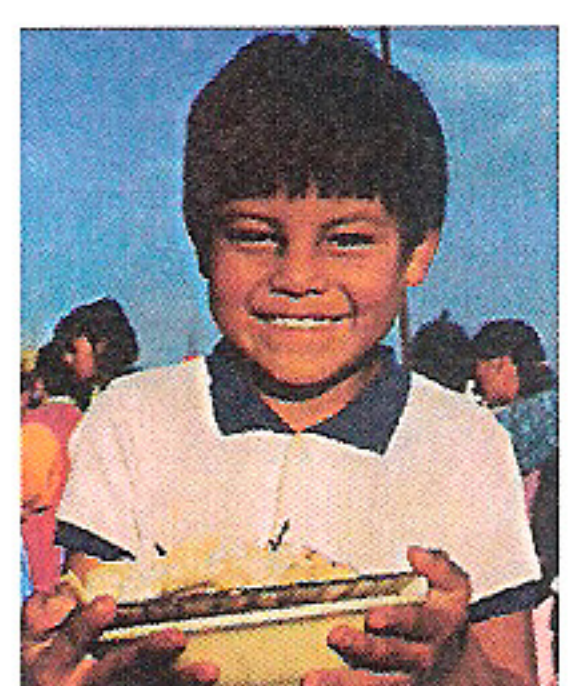

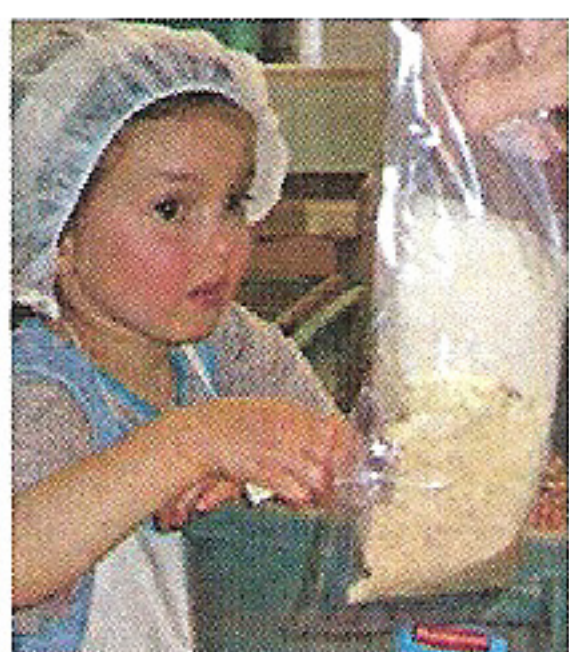

Kids Against Hunger is primarily a volunteer-driven organization. Because of the support of our caring donors, we have recently provided over 800,000 meals that were shipped to Swaziland, Senegal, and Liberia. Through our New Hope and Mankato (MN) locations alone, we also recently provided over 18,000 meals for those in need within the U.S.

For tax purposes, nothing of reportable value was provided to you in exchange for this contribution. Kids Against Hunger is a 501(c)(3) nonprofit charitable organization.

Again, on behalf of the families in need, volunteers, staff, and the Board of Directors of Kids Against Hunger, thank you for your generous support!

Sincerely,

Amanda Stowell  
Administrative Assistant

When you feed a child, you feed our future.™
