

February 24, 2010

Dear Mr. Lugenbeel:

*On behalf of the MVF Board of Directors, I want to express great appreciation for your continued assistance in providing the nutritious rice meals for distribution to needy families in our area during these difficult economic times. The Kiwanis Club's generosity and that of others, as well as the tireless efforts of the volunteers who sort and distribute the food, not only provide tangible support to families, but also demonstrate a spirit of community reflective of the best values of Montgomery Village.*

*Thank you again for your generous support of this initiative.*

*Sincerely,*
